

PHANTOM

LEGACY DOOR SCREEN

SERENE WINDOW SCREEN

Phantom's retractable screens can be custom fit to a wide variety of commercial applications. These versatile screen solutions blend with various architectural styles, remaining out of sight until needed.

In addition to solar protection, the screens can also provide visual privacy from outside in daylight conditions.

SPECIAL FEATURES AND BENEFITS INCLUDE:

- Remain out of sight until needed
- Provide protection against insects & birds
- Allow full ventilation, solar shading and enhance openings
- Come in a variety of popular designer, wood grain and custom match finishes
- Blend with existing door or window frames with low profile housings
- Enable interior and exterior mount and recessed installation options
- Ensure years of trouble-free operation with long-lasting durability
- Guarantee additional peace of mind with Limited Lifetime Warranty
